

Test 1 for Slides Writers

Subtitle

Author: Au Thor

Date: January 1, 2525

- These slides have a title and subtitle.

Slide 1

- These slides have a title and subtitle.
- There are sections and subsections.

Slide 1

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.
 - Which means all slides must be in a section *and* subsection!
(For sectioning consistency.)

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.
 - Which means all slides must be in a section *and* subsection!
(For sectioning consistency.)
- Not even rst2beamer currently identifies all this sectioning correctly (because of the subtitle).

A slide in a new subsection.

A slide.

A slide.

A slide.

A slide.
