- Kingdon is catching another 40 winks or so. 9:00am

Yesterday

- Kingdon imported a note. 3:57pm
 Language Learning Resources
 Looks like language learners with internet connections who are nearly ready to sever ties with their universities are in luck this week! There are a plethora of language learning resources online. Here ...

- Kingdon imported a note. 12:56pm
 English Vocabulary Lesson
 Computer scientists talk about scripting, where computer scientists and film aficionados both are responsible for producing, reviewing and handling scripts. A film maker is like a programmer. I wonder what else we can do with a script?

 The Sixth Layer: Kingdon in Politics
 http://sixthlayer.blogspot.com/2007/05/kingdon-in-...

The new OSI model says that the sixth layer of networking is the presentation layer. Can someone please tell me what is the presentation layer of networking, and what does it have to do with computers?

The modern-day Kingdon is not a friend of public speaking events... and here's why!
